less any sum saved during the **Indemnity Period** in respect of those charges and expenses of the **Business** payable out of **Gross Profit** which cease or are reduced because of the **Damage**.

If during the **Indemnity Period** goods or services are supplied elsewhere than at the **Premises** for the benefit of the **Business** either by **You** or by others on **Your** behalf the money paid or payable for them will be brought into account in arriving at the **Turnover** during the **Indemnity Period**.

If **Your Business** is in the first year of trading **Rate of Gross Profit** and **Standard Turnover** will reflect the actual figures realised between the date **Your Business** started and the occurrence of the **Damage** giving rise to a claim under this section.
