

Section P - Livestock Diseases - Brucellosis

The schedule will show if this section applies and the cover is in force

Definitions

Each time any of the following words or phrases appear in this section in bold type (or in capital letters in the schedule) they will take the meaning shown below or if not defined below in the General Definitions

Where words or phrases are not highlighted in this manner the everyday meaning will apply

Ministry means the appropriate Government Authority for Agriculture in the country in which the risk is situated

Livestock means cattle

Cover

If any **Livestock** fails to pass a blood test for brucellosis and is consequently sent for slaughter in accordance with the rules or measures governing brucellosis eradication **We** will pay **You** in respect of any one animal

- A 25% of the valuation of the animal by the **Ministry** or the difference between the market value and the **Ministry** compensation whichever is greater subject to a maximum of £150 or
- B 25% of the valuation of the animal by the **Ministry** or the difference between the market value and the **Ministry** compensation whichever is greater subject to a maximum of £300

The schedule will show whether indemnity limit A or B applies

Conditions

1. This section of the policy will become void and **Your** rights under it will be forfeited if **You**
 - (a) are convicted of an offence under the Diseases of Animals Acts or any amendments to them or the Agriculture Acts
 - (b) infringe the rules or measures governing brucellosis eradication
2. Increases in numbers of **Livestock** or sums insured will be accepted and noted by endorsement to this policy if the full annual premium is paid provided that at the time of requesting the increase **You** had no knowledge of any impending blood test and that no movement restriction orders were in force
3. **You** must report any occurrence giving rise to a claim under this section to **Us** immediately and complete the provided Authorisation form which will be supplied by **Us** so that **We** may obtain full particulars of the loss from the **Ministry**

The information provided by the **Ministry** together with the **Ministry's** valuation form and where applicable a professional valuation will when lodged with **Us** constitute evidence of the loss and be used as the basis for the settlement of the claim under this section
4. If at the time of slaughter due to brucellosis the number of **Livestock** exceeds by more than 10% the number shown in the schedule the amount payable will be such proportion of the indemnity as the total number of **Livestock** insured bears to the total number of **Livestock** owned

Exclusion

This section does not insure

- (a) **Livestock** removed from the herd or disposed of otherwise than as a result of failing to pass a post-accreditation/post certification blood test for brucellosis conducted in accordance with the rules or measures governing brucellosis eradication
- (b) **Livestock** arriving at the **Farm** until such time as they are qualified to enter the Accredited/ Certified Herd without restriction under the appropriate rules or measures governing brucellosis eradication
